

Dream Beds by Bellus

Dream Beds series combines Nordic design with exceptional sleeping comfort. It is easy to find a bed suitable just for You.

At Bellus, we understand the importance of a good night's sleep in your daily life. We have poured our passion and expertise into creating the **Dream Bed** series to help you achieve that.

5-Zone Pocket system supports your body in the right places. The mattress has softer zones in the shoulder and hip area for better pressure relief.

Top mattress is made of high resilient foam that is soft and durable. The top mattress is an important part of your bed. It supports you and gives comfortable soft sensation at the same time.

A quality top mattress provides protection to your bed's main mattress and expands its lifespan.

Sustainability is important for us. We continuously search for ways to minimize waste in our production. We upcycle surplus wood and recycle cutting rests of foams and fiber to other products, contributing to a circular economy. Our environment improves with day to day choices.
